

**Speak of Peace, Speak of Love**  
*Franklyn Schaefer*

*Key of G*

Intro:

G5 – D – Am – Am/B – C

Verse 1:

                  G                  D  
I watch the world and want to cry.  
                  Am                  C  
It's all gone wrong, someone tell me why?  
                  G                  D  
Who said there's glory found in war?  
                  Am                  C  
Who taught us brothers to ignore?

Bridge 1:

                  Em                  C  
My questions rise to the sky  
                  Em                  C  
The stars above can testify.  
                  Em                  C  
I sit for hours in the night  
                  Em                  G D C  
To look for answers that feel right.

Refrain:

                  G                  D  
**Speak of peace, speak of love,**  
                  Em                  C  
**Brother moon, from above!**  
                  Am                  D  
**Say a prayer, through the night**  
                  Am                  D  
**That our world will be alright.**

Verse 2:

**G** **D** **Am**  
Can't we join forces - to create,  
**Am** **Am/B** **C**  
A world which leaves no room for hate?  
**G** **D** **Am**  
Can't there be faith - without a creed?  
**Am** **Am/B** **C**  
And who said love cannot be free?

Bridge 2:

**Em** **C**  
My questions rise to the sky  
**Em** **C**  
The stars above can testify  
**Em** **C**  
I watch for shooting stars and wait  
**Em** **G** **D** **C**  
To make a wish and change our fate!

**Refrain:**

**G** **D**  
**Speak of peace, speak of love,**  
**Em** **C**  
**Brother moon, from above!**  
**Am** **D**  
**Say a prayer, through the night**  
**Am** **D**  
**That our world will be alright.**

Outro:

**G** **D**  
I wish that good will right the wrong  
**Em** **C**  
I wish one day we'll get along.  
**Am** **D**  
That our minds be opened wide  
**Am** **D**  
That love and kindness be our guide!
